[Forgotten Your Password?](#)

This is the Login Screen. Once the Email and password have been entered correctly, the user will be taken to the Main Database Menu.

The hyperlink underneath the input boxes opens this screen where they are required to enter their email, and then their corresponding password will be sent to that email.

Buttons are big to avoid misclicking when distracted.

Forgotten Password — □ ×

An email will be sent to your email address with your password details.

Enter Email:

Selected fields are highlighted to show clear indication that it has been selected.
